WVMA Alert: Veterinary Care Unchanged by New Dane County Order

Today, Public Health Madison & Dane County (PHMDC) issued [Order #10](#), which prohibits indoor gatherings of any size (e.g., a meeting, training, conference, performance, show, or sporting event) and limits outdoor gatherings to 10 people or less. **Importantly, the Order does not impose any new restrictions on veterinary clinics or veterinary care that were not already mandated in Dane County.** Similar to previous Orders of PHMDC, veterinary care is considered "Healthcare and Public Health Operations" and is exempt from the mass gathering and capacity restrictions imposed on other businesses in Dane County. Order #10 goes into effect on November 18 at 12:01 a.m., and remains in effect until December 16, 2020 at 12:01 a.m.
